## The text:

Dear friend,

I'm a pupil at a school in Manchester and I'm sixteen years old. I go to school by bus. I love my town. It has got 2 cinemas, a big park with a zoo next to it. It has got many hotels, cafés, restaurants and stadiums. Tourists love my town and visit it a lot in summer.

I like listening to music and playing tennis. At weekends, I go out with my friends. Sometimes we go to the cinema and sometimes we just go for a walk in the park.

I speak English and French but I don't like studying maths.

What about you? Please write to me.
