A thirsty crow

part one

One day, a thirsty crow flew for a long time to find water anywhere ,but he couldn't . He felt very weak. Suddenly, He saw a water jug below him . He could see some water in the jug!

At the Park

We are at the park.
At the park, we can
play. We can run to
the tree. At the tree,
we can hide. We are
happy at the park.

A thirsty crow

part two

Unfortunately , the crow found that the neck of the jug was too narrow , so he couldn't put his head into the jug. Then he tried to push the jug down but the jug was too heavy.

Finally , he saw some stones. He suddenly had a good idea. He started dropping stones one by one into the jug. The water level kept rising and it became high enough for the crow to drink.
