The text:

Today is Jane's birthday.
 « Happy birthday » say mummy and daddy as they come to her bedroom and kiss her.
 « There are some presents for you downstairs », says Mummy. So Jane gets up at once, washes and goes down. **She** opens the door of the living room and she sees many birthday cards from her friends.

In the afternoon, there's a birthday party. At three o'clock, Jane's friends arrive. Then Mrs Morgan calls the boys to the dining room where a big birthday cake is ready for **them**; There're twelve red candles on it. Then someone knocks at the door. It's Jane's aunt. She comes with a present; It's a record, a song that Jane likes very much. After tea, they play the record and sing songs and play games until they go back home.
 « Thank you Jane. The party is lovely », say her friends.
