Every April 22, people around the world celebrate Earth Day, each in their own way. So you decide to create a presentation in which you invite your classmates to help protect our planet.

To create this presentation, you will use the application: Microsoft PowerPoint.

Follow the steps below to get your presentation ready.

<ul style="list-style-type: none"> Save your presentation: 	<ul style="list-style-type: none"> Location: D:\test7 File name: "name surname". 	0.5 0.5
<ul style="list-style-type: none"> The design: 	"Facet": 	1

Slide4: "Bike more Drive less". Slide5: "Plant more trees". 	1 0.5 0.5 0.5 0.5

- Animation:

- In the slides 1,2,3,4 and 5: We animate slides' content to show the text first then the pictures.
- We choose the animation: "Zoom" to all the titles.
- We choose the animation "Bounce" to all the pictures.
- We choose the animation "Wheel" to all the shapes.
