

About myself

My name is Ann. I am a girl. I am eight years old. I am a pupil. I am in the third form. I live in Ukraine. I am tall. I have green eyes and dark hair. I have a family. My family is big. I have a mother, a father, a sister and a brother. My mother is a teacher. My father is a driver. I go to school every day. Usually I have five lessons. My favourite subject is Maths. I am a good pupil. My hobby is swimming. I also like to read books and go for a walk with my dog Sam.

My best friend

My name is Maria. I am nine years old. I have got one best friend. She is Alice. Her hobby is drawing. Her favourite colour is blue. She likes eating ice-cream. I met her two years ago. We don't fight. We both live in the same city. Her house is near the school, but my house is far from school. Her hair is short and my hair is long. We share secrets. She is very humorous. She always makes me laugh. She is kind, too. She likes to share her food with me. My birthday is on January, 5th and her birthday is on October, 4th. She is so cute. She likes to swing and I like to slide. I feel happy when I am staying with her. And she feels happy when she is staying with me, too!

My Birthday

Last year I celebrated my ninth birthday. My parents arranged a great party for my friends. My mother helped me to make invitation cards and to fill them up with names. She took me to the market and we bought balloons to decorate the house with. We ordered the cake and bought small presents for my friends. My mother spent the whole day in the kitchen cooking for all my friends. My parents brought my birthday cake with nine candles on it. It was a large and beautiful cake. We had our tea after I cut the cake. Then we played games. When the party was over, I unpacked all my birthday gifts. It was the best birthday party in my life.

My Day Off

Saturday and Sunday are my days off. I don't go to school. I usually get up at eight o'clock in the morning, do morning exercises and go to the bathroom. We have breakfast at half past eight. After breakfast my parents and I go for a walk to the park. We sometimes play different games there. In the afternoon we have dinner. Every Saturday I help my mother about the house. In the evening we go to the cinema or to the theatre. I go to bed at half past ten in the evening.

My family

My name is Yura. My family is quite big. I 've got two brothers and one sister. My brother Sergey is 14 years old. My other brother Tim is 5 years old. My sister Stella is 3 years old. We live with our mum, dad and our grandma. My grandma is 65 years old. My dad has black and grey hair and green eyes. My dad is a teacher. He doesn't teach children. He teaches other people who work with him. My mum has long brown hair and blue eyes. She is a teacher, she teaches history at school. My aunt and uncle live near us and we visit them a lot. I've got three cousins. I play with my cousins after school and at the weekends. We have great fun!

My Favourite Holiday

New Year is like a fairy-tale period. New Year is my favourite holiday, and one of the most celebrated days in the world. New Year is a family holiday. The symbol of New Year is a New Year Tree. You can see it in every house during the holiday. The whole family takes part in decorating a tree with toys, candies and different New Year lights. Children usually look for presents, which Father Frost hides under this tree before midnight. Before the holiday comes, children write letters to Father Frost asking for a present. When the clock strikes 12 o'clock, you can think of a wish and I believe that it will come true.

My Favourite Lesson

My name is Kate. I am ten. I am in the fourth form. I go to school every day. I have four or five lessons every day, My favourite lesson is English. We have English lessons four times a week. We study new words, read texts and write dictations at English lessons. We play different games at every lesson. Our teacher has a big collection of cards and pictures, that's why our lessons are always very interesting.

My Flat

Our flat is not big. There are three rooms in it. There is also a kitchen and a hall. There is a sofa and two arm chairs in the living- room. There is a round table and four chairs around it. We usually have dinner on Sunday in the living-room. My room is not big. It is small. In my room I have a bed, a desk, a chair and a bookcase. It is very light. I like to do my homework and read books in my room. In the kitchen there is a table, chairs, a refrigerator and a TV set. My family likes to have supper in the kitchen in the evening. I like our flat very much.

My Hobby

My name is Ann. I am a pupil. I am in the fourth form. I go to school. When I come home after school I like to read. My hobby is reading. I have many friends. They have hobbies too. My friend Kate collects shells. She always brings a lot of beautiful shells from the seaside. My friend Sasha collects coins. He has a big collection of coins. His father brings him coins from different countries.

My house

I live in a house. Our house is big. There are two floors in it. There are six rooms in our house. There is a living-room, two bedrooms and a big hall on the ground floor. There are children's rooms and my father's study on the first floor. My room is on the first floor. I have two big windows in my room. It is big and light. In my room I have a bed, a desk, a chair and two bookshelves. In the evening our family likes to get together in the living room. We watch TV and speak there. There is also a big garden and a yard in front of the house. I like our house very much.

My Pet

My favourite pet is a parrot. He is multicoloured: green, yellow, blue and red. He has a large beak, a short neck, two beautiful wings and a long tail. He has four toes on each foot two front and two back. Some parrots live longer than most dogs and birds. My parrot has a very loud voice. I teach him to talk. He knows many words and can talk well. He is playful, talkative and a great pet. He lives in the cage. He can eat almost anything human eats. I give him food and water every day. He likes fruit and vegetables. He likes to chew rubber toys, to fly, play and talk. I like my parrot because he is funny. He is a member of our family.

My School

This is my school. There are three floors in it. There is a canteen, a cloakroom and a gymnasium on the ground floor. The teacher's room is on the first floor. The library is on the second floor. There is a small stadium in front of my school. An orchard is behind it. There are many trees and flowers near my school.

My Summer Holidays

Summer holidays start in June and finish at the end of August. We don't go to school and can spend a lot of time outdoors. In summer I can go to the river to swim with my parents. Sometimes we go to the forest with our friends. In August my family goes to the seaside. I like to spend time there. My sister and I go swimming a lot. My parents like to sunbathe. In the evening we go for a walk, play different games and read.

My toys

Children like to play with toy cars, building bricks or puzzles. Many children like dolls and dolls houses or dressing up, or other action figures like Power Rangers. Teddy bears and soft toys are also very popular. Of course, one of the most popular activities today is playing computer games. Many of today's toys use modern technology. You can get virtual pets to play with and look after, a toy robot or a teddy bear that speaks to you! My favourite toy is Winnie the Pooh. It has a black nose and black eyes, little ears, a red shirt with yellow writing that says 'Pooh' and a yellow body. His arms and legs move! He is made out of a soft material with a zipper at the back. His eyebrows are black.

My Winter Holidays

Winter holidays start at the end of December and finish in January. We celebrate New Year and Christmas at this time. We don't go to school and can spend a lot of time outdoors. We always ski and skate at this time. I like to play snowballs and make a snowman with my friends. In the evening I like to read books and watch TV. I like winter very much.

My Working Day

Every morning I get up at seven o'clock in the morning. I wash my face, clean my teeth, do morning exercises and get dressed. At half past seven I have my breakfast. I usually have a cup of tea and sandwiches for breakfast. I go to school at a quarter to eight. I have five or six lessons at school every day. I come home at three o'clock, have my dinner and do my homework. At five o'clock I go for a walk with my friends. In the evening my parents and I have supper. I always help my mother to do the washing up. After that I like to watch TV with my father or read books in my room. I go to bed at ten o'clock in the evening.

Seasons

There are four seasons in a year: spring, summer, autumn and winter. In spring the days grow longer, the weather is warmer but it often rains and it can get very windy. We celebrate the 8th of March and Easter in spring. In summer the days are long and the weather's usually warm and sometimes even hot. We usually go on holiday in summer. In autumn the days get shorter, it gets colder and the leaves fall from the trees. We celebrate Halloween in autumn. In winter the days are short and it is cold and often wet, sometimes it snows. We celebrate New Year Eve and Christmas in winter.

Sport in My Life

Sport is an important part of my life. To tell the truth I don't do sports regularly. But in the morning I do my exercises. In summer I go swimming as there is a beautiful lake with pure water where my grandparents live. I like to ride the bike. I also enjoy playing badminton, football and volleyball. In winter I like skating, skiing and tobogganing. In our school we have a nice gym. Sports and games are popular among pupils. A lot of children train at special sport schools. Doing sports I become strong and healthy. Sport gives me a lot of joy and pleasure.
