The text.

Hello, my name is Anna. I am an eleven-year-old girl, and I am a bit fat. My doctor always says that I need to eat healthy food. But I can't. I hate practicing sports. In my free time, I have some snacks and I watch Tv. I often eat junk food twice a day. Last week, I had a severe stomachache. I felt horrible. I went to the doctor. There, He told me that I need to keep fit and to go to the countryside to breath some clean air. There, the weather was warm and nice, and the air was fresh. I enjoyed staying there with my new friends and flying kites up in the sky with them. I went walking with them too. I felt good and I enjoyed staying there.
