1° Circle the right alternative (2.5 mks) :

2020 COVID-19 affected almost all countries. By spring 2020, more than half of the world's population had experienced lockdown with strong containment measures. Since then, the COVID-19 pandemic (**increased – is increasing - has increased**) is a risk of abusing addictive substances as well as addictive behaviors. Tobacco, and internet addictions are among the world's most common ones. The World Health Organization (WHO) (**funded – banned - launched**) the "Play apart Together" campaign on 28 March 2020 and soon after many worldwide organizations joined it. WHO suggested video games as a (**safe – insecure – risky**) social activity in supporting a stay-at-home strategy. Unexpectedly, many adolescents became internet (**addicted – addicts – addictions**). (**That's why – However – Moreover**), WHO decided to adopt public health strategies by incorporating physical activities as part of a daily routine to decrease dependence on the internet.

2° Fill in the blanks with 5 words from the list below. There are 2 extra ones (2.5 mks) :

accommodations - comfortable - tours - unpleasant - flights - available - attractions

The travel consultants who work for the world-class travel agency « Regent Travel & Tours » are all fully trained in providing worthwhile services like booking cost effective to all destinations. 3° Supply the right tense or form of the bracketed words (3 mks) :

Environmental pollution of single-use plastics, pop cans and garbage (**increasingly become**) a problem and a great concern due to the adverse (**affect**) it is causing around the world. These hazardous (**pollute**) are being discarded in the waters, soils and into the atmosphere of Bali, this Indonesian island is one of the (**grow fast**) tourist destinations. Thus, the island paradise's beaches are sadly not as (**picture**) as the postcards would seem. Rubbish (**become**) a major threat over the past decade. Therefore, Indonesia announced a "garbage emergency" in 2017 to organize mass voluntary clean-ups of Bali's shoreline and implement bans on single-use plastics such as plastic.

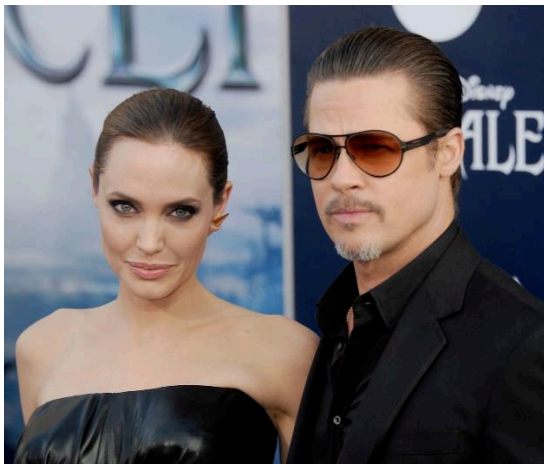

THE READING PASSAGE :

Brad Pitt smoking habit worries 'health-conscious' kids

1-Brad Pitt admitted that he smoked in the past. However, according to an outlet, he was back into smoking cigarettes, and it didn't sit well with his kids. "Brad was Vaping for a while but never smoked in the house and usually only at night after the kids were asleep, but lately he's gone back to smoking up to two packs of cigarettes a day, and no-one's more worried about this than his kids," an insider told the outlet. "They're all extremely health conscious and have been

taught from an early age that smoking is terrible, even though both their parents have been smokers on and off their whole lives."

Brad Pitt's Smoking Habit 'Freaking Out' His Kids!

2-The outlet claimed that Pitt had been under a lot of stress due to his divorce and **custody*** agreement with ex Angelina Jolie. The unnamed source added that Brad Pitt's ex-wife Angelina Jolie also smoked.

However, unlike the *Ad Astra* **star**, she managed to quit. Thus, their six children were very proud of their mom. "Angie managed to quit a couple of years back and the kids were so proud, but Brad's still hopelessly dependent and it's gotten them worried sick," the source added.
